

Frequently Asked Questions

Help Youths Through Golf

What is Help Youths Through Golf (HYTG)?

HYTG is a 501 (c) (3) nonprofit organization based at the Norwalk, California Golf Course. We are reaching out to every young person who wishes to play golf without the burden of high-cost-instruction and equipment. We make golf available to every child in a safe environment designed to promote growth and learning. Our mission is to provide golf instruction, including rules and etiquette, and instill the values that help youngsters learn in school and increase their capabilities in life.

Why was HYTG established?

When Luis A. Batson, Sr., CEO of HYTG, was volunteering at the Norwalk Golf Course, a teenager named Carlos started to come to the Junior Academy. "I saw that Carlos and many others like him could not afford golf clubs and the other costs associated with golf, like green fees and range balls. I started HYTG to make sure that money is *never* an issue for a child who wants to play golf," Luis reflects. "HYTG helps stimulate self-worth, enhances character, morals and values and helps participants reach their goals. Golf is a challenging sport to learn, but it can be mastered with proper nurturing, patience and instruction."

What are HYTG's main activities?

HYTG trains children every Saturday from 10 am to 12 noon and the first and third Wednesdays of each month from 4 pm to 6 pm at Norwalk Golf Course. We also hold a tournament every three months. We are currently working with more than 60 children.

How can I help?

We need volunteers to help mentor our youngsters, publicize and assist at events, help write grants and make tax-deductible donations to support our programs. Funds will be used directly for the benefit of the children in our organization with golf equipment, green fees. We also plan to provide scholarships for higher education.
